

INDUCTION QUESTIONNAIRE

Nursery and Reception

2024/2025

The induction process is an important part of the smooth transition from pre-school to school life. We hope that the systems we have put in place have supported you and your child during this time. Our programme of induction has included:

Pre-school-Summer Term

- Your school tour led by a school leader
- Six morning sessions in school in the summer term for your child
- Open afternoon for parents to come into school with their child
- Opportunity to join in with Sport's Day
- Opportunity to stay for lunch in the summer term

Nursery/Reception Class – Autumn Term

- The open-door policy enabling you to talk to Miss Caygill and her team about your child and/or school life
- 'Meet the Teachers' – the curriculum and ethos in Class 1 including an introduction to reading, writing, Jolly Phonics and maths in the w/b 16 September
- Gardening Club and extended school activities

We would be grateful if you could take the time to complete the questionnaire overleaf. This will help us further improve the induction process for our future pupils and their parents.

Many thanks

A. Caygill
